Dear Business Person:

The Northwest Iowa Sheep Producers would like to invite your business to participate in our Annual Meeting and Banquet to be held in Sioux Center, Iowa, on January 12, 2019. We would like to provide an opportunity for you to promote your product or service to area sheep producers, and for you to meet new people and learn about the sheep industry.

The Northwest Iowa Sheep Producers consists of approximately 35 member families from a large portion of northwest Iowa, from Sioux Falls to Storm Lake, and from Sioux City to Estherville, as well as portions of South Dakota and Minnesota. We have members that have a few head of sheep up to nearly a thousand ewes, and members representing all facets of the industry including shearers, meat producers, seed stock producers, some that enjoy the show ring, and some sheep enthusiasts that may not have their own flock. We try to make our events family friendly and love to have spouses, children, and guests attend.

We are trying something again this year at our Annual Meeting and Banquet by reaching out to some businesses and organizations and providing an opportunity to connect with our members through a Vendor Fair to be held prior to our meeting. For the price of \$70, you may have one 8 ft. table to set up a display, and one ticket for a leg of lamb meal. Additional meal tickets may be purchased for \$15 each. Sorry, because of space limitations, we can not accommodate large displays, but if you need an extra table, please contact me directly to make those arrangements. Also, we have a door prize drawing at the end of our meeting. You are welcome to bring items for this drawing if you choose.

Please fill out the form included and return with payment by January 4, 2019 if you plan to attend. Feel free to contact me at any time with any questions at [thawk12@hotmail.com](mailto:thawk12@hotmail.com) or 712-552-7801, and we hope to see you on January 12<sup>th</sup>!

Sincerely,

Travis Hawkins  
Northwest Iowa Sheep Producers President
